## FINANCES AND MARKETS

[Republican A. P. Leased Wire]  
NEW YORK, Sept. 20.—(Wall Street)—Diminution of public interest coupled with persistent bearish encroachment brought about unsettlement in today's stock market. Operations ran beyond a million shares for the twelfth consecutive full session, largely at the expense of quoted values.

Recessions were not severe, except in some highly speculative issues. The leading copper were consistently strong, Anaconda rising 3 1/2 points to 100.00, and the Utah, allowing for its recent dividends, aggregating three points, also made a new maximum at 87 1/2.

Pressure was directed against the railroads after the strong opening, later extending to United States Steel, which fluctuated between 108 1/2 and 107, closing at 107 1/2, a net loss of 3/4 point. Rails partially recovered in the extensive short covering of final session, and other important stocks finished well above minimums.

Shipping shares were backward throughout. Mexicans, some of the equipments, minor industrials and munitions denoted liquidation, the feature of the latter class being Driggs-Seaburg, which made an abrupt break of 1 1/2 points to 9 1/2.

The day's news had little effect upon market conditions. Recent sessions indicated increasing confidence in short interests. Total sales amounted to 1,150,000 shares.

Bonds remained firm on larger and more general offerings. Total sales, par value, \$5,179,000.

U. S. bonds were unchanged on call.

## CHICAGO GRAIN

CHICAGO, Sept. 20.—Reports that the armies of Rumania were in a perilous position tended to lift the price of wheat today, but word of a Rumanian victory near the Black sea acted later as an offset. The market closed steady, \$1.45 1/2 for December, and \$1.56 1/2 for May and with the market as a whole 1/2c off to 3/4c up as compared with yesterday's finish. Corn closed unchanged to 1/4c lower; oats at an advance of 1/4c to 3/4c, and provisions unchanged to 15 cents higher.

Bulls in wheat seemed to be disappointed for a while to put considerable stress on admissions from London that Rumania had been caught at a disadvantage by Bulgarian attacks in the southeast. These admissions were coupled here with Russian advice that at best it was not expected the Danubian would be opened in time to allow any shipments this season. Besides, gossip was current that foreign governments were likely to give preference now to wheat from the United States in order to forestall a possible embargo on this country later on.

Disappointment over the comparative smallness of export business counted late in the day as a handicap on the wheat bulls. The total was only 400,000 bushels.

Fine weather eased down the corn market. Oats hardened in sympathy with an advance at Winnipeg.

Although provisions at first weakened owing to depression in the hog market, an upward swing took place later, influenced by an active demand for lard. Close:
